The Future of Work With Jacob Morgan is a unique show that explores how the world of work is changing, and what we need to do in order to thrive. Each week several episodes are released which range from long-form interviews with the world's top business leaders and authors to shorter form episodes which provide a strategy or tip that listeners can apply to become more successful.

The show is hosted by 4x best-selling author, speaker and futurist Jacob Morgan and the goal is to give listeners the inspiration, the tools, and the resources they need to succeed and grow at work and in life.

Episodes are not scripted which makes for fun, authentic, engaging, and educational episodes filled with insights and practical advice.
